15. The monthly special recognition/celebration(s) of the NE Collaborative members by the Director of the Collaborative was a highlight of each meeting and most appreciated.

2016-17 Suggestions – 6/3/16

1. Develop more than just fall and spring conferences for resources- use more on going resource development
2. Continue to work with university partners- possible hold a meeting at each throughout the year.
3. Meetings
 - a. Try to make sure meeting dates don't interfere with curriculum meeting dates
 - b. Don't schedule meetings during testing time (fall or spring)
 - c. Could meetings be shortened?
 - d. Bring in resources/speakers that could help improve BT programs within the collaborative
 - e. Continue with the format of the agenda that was used this year.
 - f. I would like to see all our sessions at a central location such as the Hitch 'N Post.
 - g. Meet in July
 - h. Continue to make meetings productive with a take home for all- provide HW, designate duties, accomplish more throughout the year as a team with roles and duties.
4. Spring Conference
 - a. Consider coming in earlier on Friday and ending the conference on Saturday afternoon.
 - b. At the Spring Conference, I do not feel we need a Speaker on that date, but do keep the sessions
 - c. Change location of conferences
5. Praxis workshops for LE teachers
6. Individualized Professional Development per BT request
7. Personalized professional development for teachers in E, M, H
8. Personalized Teacher Talks to address content and school level needs (2)
9. Continue to work toward the completion of the Strategic Plan (2)
